Dear Jeremy,

**NOTIFICATION OF COMMENCEMENT – WEST MOUNT COTTON QUARRY EXPANSION – EPBC REFERENCE 2018/8340**

Karreman Quarries Pty Ltd are the approval holder for an action at Redland City, Queensland. The approved action is for the expansion and operation of the existing West Mount Cotton Quarry, and associated infrastructure which was decided on 3 March 2022.

The conditions require various actions to be undertaken by the approval holder for the period of which the approval has effect. Condition 18 in particular reads as follows:

*18. The approval holder must notify the department in writing of the date of commencement of the action within 10 business days after the date of commencement of the action.*

As required by Condition 18, Karreman Quarries wishes to advise the Department that the action commenced on Monday 22 July 2024.

As the Department is aware, a request to amend the EPBC approval conditions and associated Offset Management Plans, was submitted by Attexo Group Pty Ltd on 17 June 2024 following previous discussions with the Department. An update on this request would be greatly appreciated and we would welcome a meeting to discuss the amendment further if required.

Should the Department have any questions in relation to the above notification or require any further information, please feel free to contact me via telephone: 1800 497 587, or email: [mberham@groundwork.com.au](mailto:mberham@groundwork.com.au).

Yours faithfully
